

Yard War

Taylor Kitchings rousing debut puts you right on the fifty-yard line of a vital historical moment. Chris Grabenstein, New York Times bestselling author of *Escape from Mr. Lemoncello's Library* Perfect for readers of Christopher Paul Curtis's *Bud, Not Buddy* and Vince Vawter's *Paperboy*, *Yard War* explores race relations during the Civil Rights Movement from the perspective of a boy who accidentally sets off a yard war when he invites his maids son to play football on his front lawn. Trip Westbrook has spent his first twelve years far from the struggle for civil rights going on in Mississippi. The one black person he knows well is Willie Jane, the family maid, who has been a second mother to him. When Trip invites her son, Dee, to play football in the yard, he discovers the ugly side of his smiling neighbors. Trips old pals stop coming by. He is bullied, his house is defaced, and his family is threatened. The Westbrooks will be forced to choose between doing the right thing or losing the only home Trip has ever known. Who knew that playing football in the yard could have such consequences? This engaging, honest, and hopeful novel is full of memorable characters, and brings the civil rights era South alive for young readers. Trip is a fine character. 1964 Mississippi leaps to life in this book. Gennifer Choldenko, Newbery Honor winning author of *Al Capone Does My Shirts* A captivating story about standing up for your friends. I loved seeing Trip learn how hard it can be to do the right thing. Kristin Levine, author of *The Lions of Little Rock* and *The Paper Cowboy* Trips journey is a sensitive account about how one person can slowly make a difference. Booklist A challenging but worthwhile portrait of a very difficult period in American history. SLJ
