

Playing with Fire (Saranormal)

Sara nervously prepares for a paranormal confession and staying in a haunted hotel isn't helping! Sara has made a big decision: She's finally going to tell her best friend about her powers. When Lily's family invites Sara to come along with them on a trip to the Adirondacks, Sara thinks it will be the perfect opportunity to talk to Lily. After all, having a serious discussion about paranormal stuff will be a lot easier outside a haunted town like Stellamar. But when they arrive in the Adirondacks, Sara learns that they are staying in a very haunted hotel. So haunted, in fact, that a psychic has been called in to help drive the ghosts out. It seems that Sara can't avoid ghosts and psychics no matter where she goes! Can she escape the mayhem long enough to have her heart-to-heart with Lily? What will happen if Sara doesn't get the reaction she's hoping for?
