

Yoda Gets a Buddy

New York Times bestselling author Beth Stern is back with another inspiring story, as Buddy the blind foster kitten joins Yoda and his friends for a heart-warming adventure! Yoda is busier than ever in the Foster Kitten Room, taking care of litter after litter. Buddy, a blind kitten who is recovering from eye surgery, has been with Beth and Howard longer than any other foster kitten, so Yoda takes him under his wing and makes him his fostering partner! While Yoda grooms and scolds the naughty kittens, Buddy is the cat they cuddle up to and adore, mimicking his every move, with no clue he is blind. One day Frankie, a new foster, is introduced and from the very first moment, none of the kittens like him. Oversized ears and an unruly cowlick make him look goofy. But Buddy loves this new little guy and helps the other kittens see all of Frankie's goodness and sweetness. And when they discover Buddy is the kitten with a true disability and challenge, the other felines learn that love truly is blind when we see each other with our hearts.
