

## You Can Do It!

Tony Dungy's little brother, Linden, is a third grader who is having a bad day at school. Linden is the youngest of the Dungy family and the least motivated because he hasn't found it. In a family where everyone seems to have found their special talent, all Linden knows is that he wants to make people happy. With encouragement from his parents, a helping hand from his older brother Tony, and inspiration from God, Linden learns that if he dreams big and has faith, he can do anything!
