

What Would You Do with an Atlas (Library Resources)

Help young students leap into learning! The Library Resources series is an easy way to introduce younger readers to all the amazing resources offered at their local library. With simple text and engaging photos, this book educates early learners about the atlas. It will teach kids how to look up information and places on a map using an atlas. Kids will also learn about legends, bar scales, and compass roses. Whether for school or fun, this title helps kids get the most out of their library experience. Super Sandcastle is an imprint of ABDO Publishing Company.
