

Your Very Own Robot Goes Cuckoo-Bananas (Choose Your Own Adventure - Dragonlark)

WATCH OUT! This book is different than every book you've ever read. Don't believe me? Have you ever read a book that's about you? This book is! YOU get to choose what happens next - and even how the story will end. Your parents are inventors, and one day you rescued a robot that they didn't want anymore from the trash. You had a lot of fun with him, but boy did he make things go crazy! Your parents weren't too happy about your robot adventures, but you really miss your friend. Can you trust him to behave himself, or is he about to go cuckoo-bananas in front of all your friends?
