Zombies vs. Monsters: Which Side Are You on? by Ben Scott is a book that reveals what happens when two zombies from Earth are sent on a mission to search for a monster from the Red Planet. Despite orders, the best friends chose to do what their gut tells them. In this book, parents and their kids can follow the colorful lives of the Zombies Apollo and Rooney, The Monster Max, and the superhero named Rocky, as well as receive an inside peek at The Zombie Academy and Monsters United. In addition, they get to have a clue of how zombies attack, monsters fight, and superheroes come to almost anybodys rescue. Furthermore, here, they can find out the many bizarre yet exciting possibilities that can happen in an alternative world. Because this book targets any beginner reader grade 1-3, parents of the little kids can expect it to be insightful, amusing, humorous, and far from giving their children a reason to yawn. Here, they can prepare to learn a handful of trivia about zombies, monsters, and superheroes. They should get ready for a surprise, too. After all, who knew that fate could take an unexpected turn to make way for a sweet ending? smartest kids in the world
